SUMMARY

Graphic and social media designer with 1–2 years of experience creating social media campaigns, ad creatives, brand identity systems and print and digital layouts for B2B technology, education, food and beverage, real estate and retail brands. Currently an in-house Graphic Designer at SustainGRC, where I built and maintain a 44-page brand and social media design system with nine reusable post template families. Skilled in Adobe Photoshop, Adobe Illustrator and Canva, with team leadership experience recognised by Egypt's Digital Egypt Pioneers Program.

SKILLS

- **Design:** Social Media Design, Brand Identity, Brand Guidelines, Design Systems, Ad Creatives, Campaign Design, Key Visuals, Photo Manipulation, Typography (Arabic and English), Layout Design, Print and Digital Design, Report and Presentation Design, Content Calendars
- **Tools:** Adobe Photoshop, Adobe Illustrator, Canva, Generative AI image tools (Adobe Firefly, ChatGPT)
- **Professional:** Team Leadership, Communication, Time Management, Problem Solving, Working to Brand Guidelines, Fast Turnarounds

EXPERIENCE

Graphic Designer (Full-time) | SustainGRC — Jul 2026 – Present

- Built and maintain the brand and social media design system: a 44-page guideline covering logo rules, an eight-colour palette, typography, grid and nine reusable post template families.
- Design social media campaigns, a live webinar series, speaker and partnership announcements and thought-leadership posts for a B2B governance, risk and sustainability (GRC and ESG) software platform.
- Produce white paper and report covers, solution carousels, slide decks and the company profile for audit, risk and compliance leaders.

Graphic Designer (Freelance) | INNERWIN Academy — May 2026 – Sep 2026

- Designed social media ad campaigns for courses in AI, data analysis, marketing and career skills, using bold Arabic typography and photo manipulation.
- Created course key visuals, diploma visuals, brochures and launch content that extended the academy's visual identity.
- Worked with the marketing team to keep branding consistent across platforms on tight turnarounds.

Graphic Designer (Full-time) | Continuing Education Academy, Sharjah, UAE — Aug 2025 – May 2026

- Produced social media and marketing visuals for course promotions, events and academic programs.
- Designed digital and print materials aligned with the academy's brand guidelines.
- Worked directly with academic coordinators to turn program content into clear visual communication.

Graphic Designer (Freelance) | B-Little Hands — Jun 2025 – Dec 2025

- Created a playful social media system for a nursery brand built around a 3D mascot, including a coding summer camp campaign.
- Kept one consistent visual style across multiple platforms as an independent contractor.

Graphic Designer (Freelance) | B-Study May 2025 – Dec 2025

- Designed product-led social media posts showing an e-learning platform's dashboard, focus mode and progress tracking for university students.
- Managed design projects independently from concept to final delivery.

SELECTED PROJECTS

- **TMG, Real Estate Campaign:** surreal campaign key visuals and social posts that turn investment messages into memorable images.
- **Egypt Store, Tech Retail:** product-focused social media designs for laptop parts with clean product hero shots.
- **The Crepery and Best Juice, Food and Beverage:** high-impact product key visuals and menu promotions.
- **Miramar Logistics, B2B Seasonal Campaign:** Eid Al-Adha greeting combining the brand's port, containers and fleet.
- **Mawhiba+, Children's Talent Brand:** social media visuals for a kids' learning and talent brand.
